NOA

Beauty Simplified

Minimalistic design with spacious storages.

Integrating modern design ideas with classic styling while keeping comfort and functionality in mind. It has a mix of modern and classic vibes to it. The back storage is visible in the same finishes as the desks, and the stone pattern on the door panel adds to its allure.

Features

Open Storage

Each side of the table features open storage in front, on the side, and within the table. It can hold books and magazine collections.

Private Drawer

With a soft-closing drawer, 4-combination numbering lock, and 45-degree angle edging as a hidden handle. The private drawer stores important documents and more personal items.

Wire Solution Storage

Top storage with flipper casing. Storage with a swing door to conceal and support the wires and cables.

Swing Storage

The wire and cables are concealed and supported by the middle swing door.

Back Swing Storage

The interior is BLACK, and the door is MODI OAK with a slanting edging as a hidden handle. Closed cabinets hides disorganization and make a room appear visually cleaner and more cohesive.

Height Swing Storage

The interior is BLACK and the door is MODI OAK. It can act as a personal storage which includes an adjustable shelf and a suspended clothes bar for hanging your apparels.

Open Storage

Open storage with a full black colour scheme. Ability to organize hardback file documents and also serve as a display rack for decorative pieces.

Sliding Storage

The contrast of materials makes this design more appealing. The sliding door is coated by the stone patterned NEVILLE FAB.
