Concentration Workstation for Focused Work

**industrial aesthetics of
45° design**

**MODULAR
SCREENS FREE AND
EASY ASSEMBLY**

Flexible Layout with Refreshing Colors

We spend 1/3 of our time at work, colors, decoration, layout of the office environment affects our working performance. Verdure so concentration and comfort is as important as high efficiency. Verdure four-position workstation has delighting colors and is flexible to be formed into a variety of combinations for customized needs.

Screen-mounted Storage Box

There is always some small tools that is occasionally needed but you cannot find due to careless storage. Verdure updates the hanger groove to 5.3mm in width to adapt to abundant screen mounted storage boxes. All the small tools can find themselves a proper home.

Top Glass Screen for Better Vision

Verdure screens include a top glass screen that can be mounted on the aluminum alloy frame screen, so that staff can have a clear vision. The mounting groove adopts 2.5mm sealing band which prevents dust accumulation. You may place some potted plants on the flower shelves to add more vitality to the office and rest your eyes with more green.

The upper part of the partition panel is made of acrylic, hazy and beautiful.

Concentrated Creation without Interference

Interruption is the enemy of creation. The 1+2*N layout formed by Verdure workstation is perfect for multi-task collaboration. The light desk-mounted screen ensures proper privacy to individual employee when backing to focused work. Flexible combinations of two-position, three-position, and so on workstations add more agility to work space.

shaped Workstation for Individual Work

Work space divided based on 4C features does not create boundaries or limit creativity, but will fully stimulate work potential. High-end acoustic material can reduce noise to provide a quite environment for your focused work. Enjoy quietness in the noisy office.

For both
focused work
and sharing
communication

120° Three-position Workstation

In the 21st century, the trend of collaboration has made working more flexible, and the open, collaborative and creative office space is becoming a new trend. We want our team to be passionate, full of energy, ready to exchange new ideas, and propose new strategies. A team like this progresses every day.

Team Work, Win the Proposal

Collaborative workstation is perfect for team work, where you can focus on your own and exchange project progress with another at any time.

120° REFINED CRAFTS AND JOINTS

Verdure desk-mounted screen is upgraded based on the traditional version. The 2mm-thick frame is more concise, light and stylish. The 45° bevel angle is smooth and modern. The 120° equally divided round tabletop offers larger space utilization. Wiring is hidden inside the screen, leaving the tabletop neat and clean.

Side-opening hidden handles and a high-precision lock are equipped.

A removable pencil case is designed in the drawer, convenient for placing small tools orderly.

Collaboration Workstations for Triggering Innovation

Ishaped Workstation with nap setting

What can help you keep energetic for the entire day? The bed cabinet in the Steelbox II series is a perfect choice. It has 1.5mm thickened steel tube to support heavy weight, and is 600mm in width, a 450mm-thick sponge pad offering more comfort. When folding it up, it occupies only the cabinet space. The matching pillow give you more comfort as if sleeping on your own bed.

M Workstations

Inspiration suddenly broke out and it was urgent to discuss and share with partners. The Verdure M-shaped workstation can accommodate 2 people at the same time for anytime communication. After discussion, you can turn back to focus on your own in one second. The fixed cabinet with drawers is perfect to store small office items.

Space that Enhances Staff Wellbeing

For the enterprise, sparing no effort to create wellness in working environment for employees not only enhances the work efficiency of employees, but also gives employees a sense of belonging. H-shaped workstation effectively broadens the working area for fluent processing. It makes you happy every Monday and fall in love with your work.

W300*D700*H1142/1344(mm)

W400*D602*H1142/1344(mm)
W400*D702*H1142/1344(mm)

Powerful Wardrobe

Come into the office in the morning, you may check your makeup in the mirror, hang your clothes in the wardrobe, put your bag on the storage board, and start the day. There is a venting hole in the wardrobe to keep the airflow unobstructed. Both side of the wardrobe can be equipped with a hole plate and a multi-function pendant for organizing small items.

Screen-mounted Drawer cabinet

An open office environment can promote collaboration among team members and endow the entire workspace a sense of synergy. Proper space division gives private space to individuals and causes no block to communication. Fixed cabinets with drawers has three separations for storage for different sizes of items. A baffle is mounted on the edge to prevent the document from falling.

Communication Workstation Like A Salon

Multitask Workstation

How many imaginative ideas come from leisure chat? Verdure negotiation workstation, surrounded by fabric screens and equipped with flexible supporting facilities, provides a negotiation salon for igniting creative enthusiasm at any time. The 725mm height ensures privacy. Different screens are interlaced to form a well-organized workshop, suitable for communication-based workstations such as negotiation, banks and mobile offices.

Face to Face, We Are Closer

Communication should happen any time. Negotiation-based workstations, designed for project-based discussions. Team members are able to share information, emotions and work methods in a timely manner, and support each other. Thus, cooperation becomes efficient and tacit.

Consideration Workstation for Managers

Executive Workstation for Focus work

Team managers should focus on work and pay attention to working and psychological statuses of the team members. Therefore, their need to be close to each other. Verdure independent workstations are a more comprehensive work system, creating an independent yet open workspace.

A stool? A file cabinet!

It has a storage capacity of 20 books, and can also be transformed into a stool by adding a cushion on it. You don't need to squat when taking documents or changing shoes. The file cabinet is available in a variety of colors and sizes, allowing you to customize your space.

Available
in many colors, this
cabinet is a perfect
match to lighten
your
work
space.

independent cabinet unit

Screens and steel cabinets create a small universe of your own. The steel wall cupboard in Steelbox II series, which can be open by pushing upward, may be equipped to store some beloved books to recharge your mind after busy work. The single-door wardrobe provides storage space for your clothes, bags, and shoes. The slide door cabinet under the desktop is designed with silent slides to create a quiet office atmosphere.

Cables routed through the post from the top to the bottom help you to get rid of the empty space over the floor and give you an office space neat as new.
